## Escola de Comércio de Lisboa

(Commerce School of Lisbon)

ECL was born in 1989 as a private educative project, based in the active participation and strong link between organizations and community.

The school's main aim is to expand new horizons to anyone who wants to obtain a professional skill or to develop knowledges and competences in the industry and trade sector.

### OUR VISION

The '*Aula de Comércio*' (Commerce Class), by the *Escola de Comércio de Lisboa* (Commerce School of Lisbon), intends to constitute a high quality institution and an international and national reference in the education and vocational training.

### OUR MISSION

Commerce School of Lisbon's mission is to promote personal and professional paths to everyone who wants to make career in this area.

### OUR ORGANIZATIONAL CULTURE

Our culture values issues such as innovation, continuous change, versatility and credibility shape our organizational culture, support our educative project and demonstrate our corporate identity.

### OUR ACTIVITY

To ensure that the objectives are valued, our activity is divided in 5 main items:

- Vocational school
- Professional development
- Studies and Services in Trade
- Competence Certification
- Career management support
